

## One Day Seminar on

### Engineering Excellence In Pharma - An Overview

**“Empowering Pharma Engineers with Latest Technology and  
Innovations**

**On Sunday, 29<sup>th</sup> June 2025  
At Celebrations Hall, Curti-Ponda,  
Goa**

**Timing: 9:30 A.M. to 5:00 P.M.**

### Meet our faculty of Industry Experts

**Mr. Ninad Jagdale**  
Director  
Business Consulting Risk  
Ernst & Young

**Mr. Gourav Gaonkar**  
Manager  
Business Consulting  
Ernst & Young

**Mr. Sidharth Kuncalienker**  
Partner  
Airworx Engineers

**Mr. Kedar Naik**  
Director  
Shreeanived Technologies  
Pvt. Ltd

## Meet our Expert Panelists

**Mr. Gurudatta Bhat**  
General Manager  
Engineering  
Zydus Lifesciences

**Mr. Sumeet Salunkhe**  
Site Head, VP Operations  
Zydus Lifesciences

**Mr. Sandip R. Lawande**  
General Manager  
Engineering  
Unichem Laboratories Ltd

**Mr. Mandaar Borker**  
Manager  
Quality Assurance  
Lupin Ltd

### About the Seminar

The Engineering department plays a vital role in the seamless functioning, productivity and compliance of pharmaceutical manufacturing facilities. This seminar is thoughtfully curated to equip engineering professionals in pharmaceutical companies across Goa with the latest insights, technical skills, and regulatory knowledge essential for maintaining robust infrastructure and systems.

This seminar will conclude with an interactive panel discussion on “Facing International audits in Pharma Engineering department”, allowing participants to engage with industry experts, clarify doubts, and gain practical perspectives on real-world challenges.

Whether you're a plant engineer, validation expert, or involved in facility maintenance and systems design, this seminar presents a valuable opportunity to strengthen your expertise and align with industry advancements and current regulatory expectations.

Join us for this knowledge-rich event and stay ahead in engineering excellence within the pharmaceutical sector.

### Why attend? – Key Highlights

Gain in-depth knowledge of key areas, including the transformative role of:

- Cutting-edge technologies like AI and Computer Systems
- Assurance in the pharmaceutical engineering space
- Understand the fundamentals and importance of calibration and HVAC system design and qualification
- Stay updated on the latest regulatory expectations and industry best practices
- Learn practical approaches to ensure system efficiency, compliance, and data integrity
- Engage in an interactive panel discussion session with industry veterans and technical experts
- Network with engineering professionals, validation specialists, and compliance experts across Goa's pharma industry

### Who Should Attend?

- Engineering and Maintenance Personnel in Pharmaceutical Companies
- Validation and Qualification Teams
- Automation and Instrumentation Engineers
- Computer System Validation (CSV) and Assurance Professionals
- Quality Assurance and Compliance Teams
- HVAC and Facility Engineers
- Anyone interested in the evolving role of engineering in pharma manufacturing and compliance

### Registration Details:

	Category	Fees
1	IPA Member	Rs. 1,000
2	Non-IPA Member	Rs. 1,500

Last date for Registration: 25<sup>th</sup> June 2025

**Only 100 seats on a first-come first-serve basis.**

**Spot Registrations will not be entertained.**

### Registration process:

1. Fill up the Registration form: (click on this link)

<https://forms.gle/1vgdqDPmk5fKecN48>

2. You will receive a confirmation of your seat within 48 hours of submission. If your application is accepted, please do the payment by online mode to:

“The Indian Pharmaceutical Association”,  
SB Account No: 11031491092  
State Bank of India, Panaji Branch  
IFSC: SBIN0000509

SCAN & PAY

UPI ID: indianpharmaceuticalassociation@sb

## Sessions and Expert Speakers

	Topic	Name of the Speaker
1	AI in Pharma Industry	Mr. Ninad Jagdale
2	Computer system Assurance	Mr. Gourav Gaonkar
3	Calibrations – Why & How?	Mr. Kedar Naik
4	HVAC – Design and Qualifications	Mr. Sidharth Kuncalienker
5	Panel discussion on Facing international audits in Pharma Engineering department	Mr. Sumeet Salunke Mr. Gurudatta Bhat Mr. Sandip Lawande Mr. Mandaar Borker

### Don't Miss Out On This Opportunity!

Stay ahead of the curve, ensure your facilities meet the highest standards, and build a network of peers who are equally dedicated to improving industry practices. Join Us and Take The First Step Towards Achieving Uncompromising Quality and Compliance in Pharmaceutical Manufacturing!
